## You've Been Flocked

Don't Despair.....

This is a fundraiser by Lenox Crew.

A friend of yours paid us to place these pink darlings in your yard.

This flocking is done in good spirits and is not meant to be mean.

These flamingos will roost on your lawn for 48 hours when they will mysteriously migrate to another friend's (victim's) lawn.

If you would like to specify the next victim, all we ask is a small donation to our group of which 10% will be donated to the Student Relief Club and the St. Bernard Project of New Orleans.

Of course, the removal of these flamingos will be done at no charge, so please don't hurt out pink feathered friends.

Again, thank you for your sense of humor and your support. For immediate removal contact Joan.

P.S. Don't ask     (friend's name here)     about this because they had nothing to do with it.

(This post script will only be added to orders where senders want their identity known.)
